Dear Plastuny and Plast Families,

The International Peace Light unites scouts around the world with a hope for peace. Soon we will be meeting at our local branches for our traditional Svichechka celebration where we will share this flame. However, Ukraine is suffering, her people are dying, and we must help. Each time we sing our hymn, we reaffirm our duty to Ukraine.

*"Hey Yunaky! Hey Plastuny!...
Without breaking our oaths,
The proudly free flag leads us.
To happiness, glory and freedom."*

During our Svichechka gathering, which will take place **on January 8, 2023 at 12:30** in the parish hall of Sts. Volodymyr & Olga Cathedral, we will be accepting donations to help Plast in Ukraine continue their work in supplying and delivering humanitarian and medical aid throughout Ukraine. Your donation will provide critically needed military grade medical supplies to Ukrainians who are on the front lines fighting for peace and a free Ukraine.

The National Executive of Plast Canada will match every additional dollar that a Plastun or Plast family donates, up to \$25,000.00.

You can make your meaningful donation in one of three ways:

1. Each Plast branch will be collecting **cheques payable to PLAST CANADA**
2. Send a cheque to the office of the **Plast National Executive, 516 The Kingsway, Toronto, Ontario, M9A 3W6.**
3. Make a donation online by visiting the Plast Canada page at CanadaHelps.org: <https://www.plast.ca/donate>

Thank you for your support. All donors will receive a tax receipt.

We call on each Plastun and Plast family to give generously. As the world prepares to welcome Christmas and the New Year, our country is fighting for its very existence. Let's help those, who are fighting for Ukraine's freedom.

Slava Ukraini! Heroyam Slava!
